MOYER ON JAN 2, 2020

Inspector Moyer,

This kite is concerning an incident that occurred on Jan 2, 2020 on second shift in 5 block on A wing base between 5:30pm and 6:00pm. Officer Rubley and several other officers used unnecessary excessive force on an inmate while he was handcuffed and not resisting. I asked the officers to stop and was threatened by officer Rubley. I fear retaliation. I am filing a formal complaint with the Director's Office in Lansing. Please review the video footage of the incident.

Thanks for your time
